I figured in here we could talk about solving quests From where you start: I will refer to the first screen as 'The screen near the basement apartment'.. First some warnings: Make sure you give all four trophymon to either Annie or the Billionaire.. He'll give you the skateboard -You can also buy a skateboard from the skateboard shop.. I'm fairly sure that if you choose one way, the other way disappears This is probably what caused me to believe the Mobius Strip quests disappeared, as I'd assigned the wrong rewards to the wrong quests (when I first wrote this guide, I wrote about 10 quests from memory). This makes your character run/skate everywhere (there's no excuse not to) -To cancel this, press shift.. I apologise to anyone affected by this [credit: charcharmunro]A small tip-Hold down shift, click outside of the flash screen, release shift and then click back on the flash screen.. Do not split the trophy on up or you can't get the hoverboard (confirmed) Note: There is usually a good/bad way to get the 4D objects. [date converter software for mobile download free](#)
